

**PROTECTION OF CRITICAL INFRASTRUCTURES (COMPUTER SYSTEMS)
ORDINANCE (CHAPTER 653)**

SECTORAL CODE OF PRACTICE FOR THE ENERGY SECTOR

Pursuant to section 8(1) of the Protection of Critical Infrastructures (Computer Systems) Ordinance (Chapter 653) (hereinafter referred to as "the Ordinance"), a Sectoral Code of Practice for the Energy Sector entitled "Sectoral Code of Practice for the Energy Sector Pursuant to the Protection of Critical Infrastructures (Computer Systems) Ordinance" (Version 1.0) is hereby issued.

In accordance with section 8(3) of the Ordinance, the code shall come into operation on 28 January 2026. The code is issued for the purpose of providing practical guidance to critical infrastructure operators in the Energy Sector designated under section 12 of the Ordinance on compliance with the Categories 1 and 2 obligations under the Ordinance.

The code is available for viewing on the website of the Office of the Commissioner of Critical Infrastructure (Computer-system Security) (www.occics.gov.hk).
